

VOLLEYBALL RULES

1. The duration of the match

All matches in all categories consist of 2 sets, if the score is tied 1:1, teams play third (reduced) set. Third set can be played also after one team won both sets (2:0), but that does not affect the final result (2:0).

In first two sets the first team that scores 25 points and has at least 2-point advantage over the opponent wins that set. If the score is tied 24-24, the play continues until one of the teams has a lead of two points without any top limit (26/24, 27/25...).

Third set is played until one team reaches 15 points (with 2-point advantage).
